**IMPORTANT**—To help you make full use of patterns given in this book, where feasible, we have given "multiple of ch sts" required on *foundation or starting ch for 1 repeat of pattern.*

Multiple of ch sts is not given for simple patterns requiring 1 ch for each st, nor for patterns starting at center.

For each additional repeat of pattern desired, add required multiple of ch sts to number of sts on foundation ch given in instructions.

**For example:** To add to width of Pattern No. 10, see page 7, *ch 4 more* than given in instructions for each extra shell required; to make narrower *ch 4 less* for each shell to be eliminated.

**Cross Stitch Embroidery**

**STITCH GAUGE—Important**—Afghans are planned on the basis of working to a specified number of stitches and rows to 1 inch; this is referred to as the GAUGE. Required gauge is given at beginning of instructions. If this gauge is not obtained the finished Afghan will not be the correct size.

The size crochet hook recommended will give the average worker the correct gauge. However, if you do not obtain the gauge required, change the size hook to conform to the tension of your individual work; if your work is too loose use smaller size hook to tighten gauge; if your work is too tight use larger size hook to loosen gauge. You **MUST** get gauge given to insure proper size of finished Afghan.

#### ABBREVIATIONS AND TERMS USED

ch—chain	tog.—together	dc—double crochet
st(s)—stitch(es)	beg.—beginning	hdc—half double crochet
sl—slip	in.(s)—inch(es)	tr—treble crochet
sl st—slip st	sc—single crochet	yo—yarn over

An asterisk (\*), double asterisk (\*\*), or dagger (†), indicates that the instructions immediately following are to be repeated the given number of times in addition to the original.

**BLOCKING**—With wrong side up, using rust-proof pins, pin out on padded surface to given measurements. Steam lightly with moderately hot iron over a wet cloth, taking care not to let weight of iron rest upon any one spot. Allow to dry before removing.

**FRINGE**—Wind yarn around cardboard; cut at one end, see Figure 1. Fold in half and knot in number of strands indicated in individual instruction, see Figure 2. Trim fringe evenly.

# LEARNING TO CROCHET

**THE CHAIN STITCH IS THE FOUNDATION FOR MOST CROCHETING.**

## HOW TO MAKE A CHAIN—"ch"

**STEP 1**—Make a slip loop on crochet hook a few inches from end of yarn. Adjust yarn on left hand over forefinger. Hold crochet hook in right hand like a pencil.

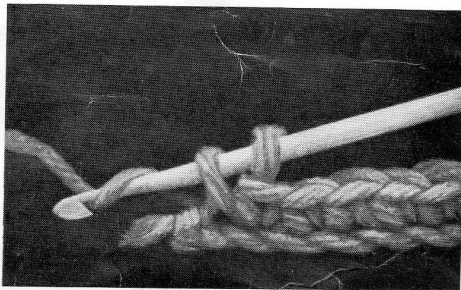

**STEP 2**—Yarn over the hook from back to front, draw yarn through loop on hook; one chain stitch made.

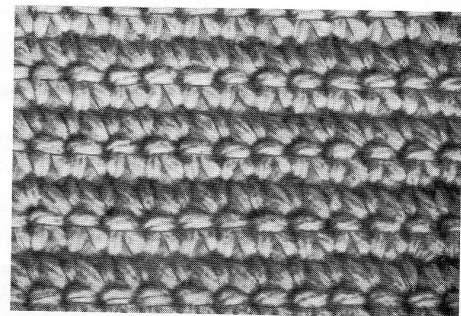

Repeat Step 2 until chain is desired length, holding chain close to hook as it grows longer.

## HOW TO WORK SINGLE CROCHET—"sc"

*Ch desired length.*

**STEP 1**—Insert hook in 2nd ch from hook, y o as before. Draw yarn through the chain—2 loops on hook—, y o, draw through both loops; one single crochet made. Work one single crochet in each remaining chain.

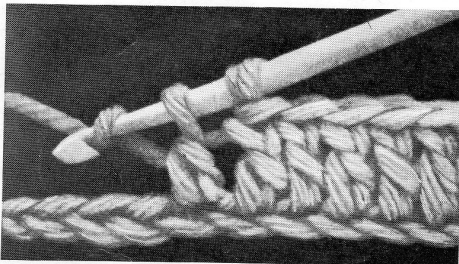

**STEP 2**—Ch 1, turn, work 1 sc in each st of previous row, inserting hook under both strands of st unless otherwise specified.

Repeat step 2 for desired number of rows.

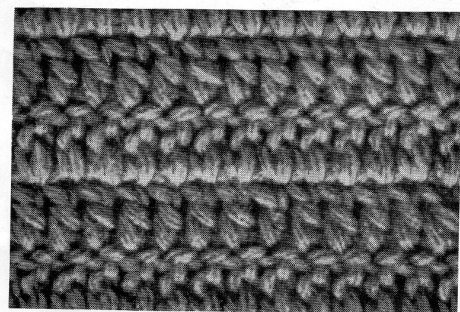

Fasten off by breaking yarn a few inches from last st and drawing end through last loop.

## HOW TO WORK DOUBLE CROCHET—"dc"

*Ch required length.*

**STEP 1**—Y O, insert hook in 3rd ch from hook, draw yarn through—3 loops on hook—, y o draw through 2 loops—2 loops on hook—, y o draw through remaining 2 loops; one double crochet made.

**STEP 2**—Ch 3, turn, work 1 dc in 2nd st from hook and each remaining st, inserting hook under both strands of st unless otherwise specified.

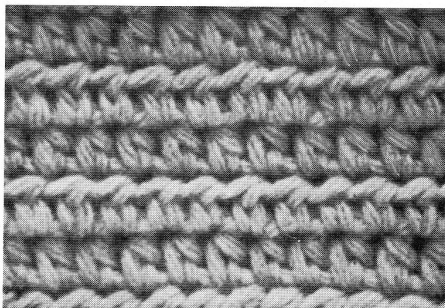

**NOTE:** Turning chain is counted as first st of each row. Repeat Step 2 for desired number of rows.

# LEARNING TO CROCHET

## HOW TO WORK HALF DOUBLE CROCHET—"hdc"

*Ch required length.*

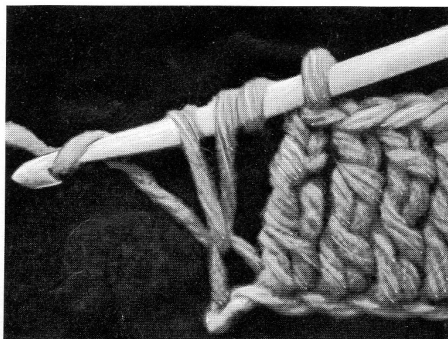

**STEP 1**—Y o, insert hook into 3rd ch from hook, draw yarn through—3 loops on hook—. Draw through *all* 3 loops; one half double crochet made. Work 1 hdc in each remaining ch.

**STEP 2**—Ch 2 turn, work 1 hdc in *first* st from hook and each remaining st, inserting hook under both strands of st unless otherwise specified. Repeat step 2 for desired number of rows.

## HOW TO WORK TREBLE CROCHET—"tr"

*Ch required length.*

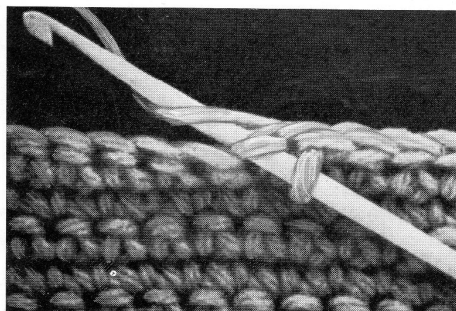

**STEP 1**—Y o twice, insert hook into 4th ch from hook, draw yarn through—4 loops on hook—, y o draw yarn through 2 loops—3 loops on hook—y o, draw through 2 loops—2 loops on hook—y o, draw through 2 remaining loops—one tr made. Work one tr in each remaining ch.

**STEP 2**—Ch 4, turn, work 1 tr in 2nd st from hook and in each remaining st inserting hook under both strands of st unless otherwise specified. Repeat step 2 for desired number of rows.

**NOTE:** Turning ch is counted as first st of each row.

## HOW TO WORK A SLIP STITCH—"sl st"

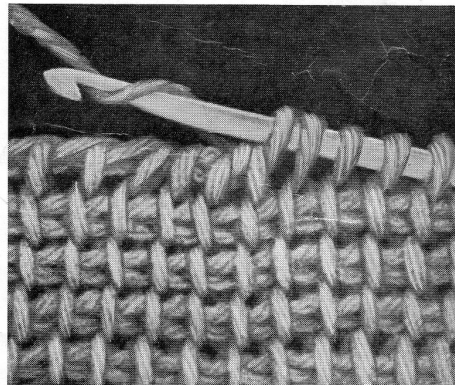

When instructions call for sl st, insert hook into next st. y o, draw through st and loop on hook.

## HOW TO WORK AFGHAN STITCH

**STEP 1**—With an afghan hook, work a ch the required length.

**STEP 2**—Working in the horizontal strand at back of ch, draw up a loop in 2nd ch from hook and in each remaining ch, retaining loops on hook. There will be the same number of loops on hook as original number of ch.

**STEP 3**—To complete row, work off loops in following manner: y o hook, draw through first loop on hook, \*y o hook, draw through next 2 loops on hook; repeat from \* until 1 loop remains on hook.

**STEP 4**—Counting the loop on hook as the first loop of the row, \*insert hook under vertical bar of next st, y o hook, draw up a loop retaining it on hook; repeat from \* to within 1 st of end, insert hook under both vertical bars of last st, y o hook, draw up a loop, retaining it on hook. There will be the same number of loops on hook as in Step 2.

Repeat Step 3.

Steps 3 and 4 make 1 row.

Repeat Steps 4 and 3 for desired length.
